That's fine, we'll just see as the year progresses.

I really haven't thought about it too much, but here is a shot at my guess.

12 trips to CFAC at \$300 each trip. (may be more or less depending on if overnight or not)

3 trips to Denver at \$2500 each.

3 trips to Helena at \$500 each.

Not sure about any training. Maybe \$1000 for all needed.

Louise is working on compiling everybody's projections and has the form.

Mostly need, site, city, cost, reason for going, dates,

Do you have a format to follow or just want me to list some thoughts?
